

DIABETES TECHNOLOGY

IDEAS WANTED FOR A BIG IMPACT!

Win up to
\$100,000!

CAN YOUR IDEA CHANGE DIABETES MANAGEMENT FOREVER?

Do you have an innovative idea to facilitate change diabetes management forever? Want to see how your idea becomes reality? Do you have valuable insights to help co-create the diabetes technology of tomorrow? Do you have feedback to share with others in the community?

We are looking for innovators, co-creators, scientists and diabetes supporters from around the world to join our open idea call and be part of an innovative community at the forefront of diabetes technology.

Whether you are a start-up, a healthcare professional, researcher or an individual – if you have an idea or insight on how to improve the lives of people with diabetes, we want to hear from you!

WHAT ARE THE BENEFITS?

- the chance to win USD 100,000 in funding and in-kind support
- a chance to participate in our one-week bootcamp with mentoring & co-learning, and a pitch training worth CHF 5,000
- access to a network of experts from the Diabetes Center Berne, Diabetes Technology Society, and others
- a kick-start to your business with first class coaching and training
- a safe harbour where your idea remains entirely yours

HOW CAN YOU PARTICIPATE?

Idea submission opens on 1 April 2024 and runs until 30 April 2024 on innovation.dcberne.com.

We will select two US-based innovators and four innovators from the rest of the world to pitch their final ideas at the DCB Start-Up Night in Berne, Switzerland, on 3 October 2024.

All finalists will also have the opportunity to present their ideas at the Diabetes Technology Meeting in the US on 15–17 October 2024.
