OPEN INNOVATION CHALLENGE

THE CHALLENGE

CAN YOUR IDEA CHANGE DIABETES MANAGEMENT FOREVER?

Do you have an innovative idea that takes diabetes management to the next level? Do you want to see how your idea becomes reality?

Then join the DCB Open Innovation Challenge! Share your idea, get feedback from experts and win up to 100,000 USD in funding and in-kind support. Whether you are a start-up, a healthcare professional, a researcher or an individual with an idea or insight into how to improve life with diabetes, we want to hear from you!
